Consultations By Appointment Only

NYLAG attorneys will be available to meet privately with you to discuss life planning options and government benefits available to older adults. DOROT social work staff will be on hand to assist with your advance medical directives and answer related questions.

To register for the morning program and/or to schedule a private appointment in the afternoon with an attorney or social worker, please contact Wendy Handler, 917-441-3724 or whandler@dorotusa.org

This program is made possible by UJA Federation of New York. NYLAG and DOROT are joining together to provide life planning guidance to older adults through education, information sharing, document preparation and hands-on support.
